THE SERVICEMAN'S CORNER:

Hello, fellas. Not much doing around the old diggings this week---but we do have letters from Mickey Hunter and "Rowboat" Owens---and a card from Johnny Coryell. Speaking of Purple Hearts--and we were, you know--(there's two of 'em mentioned in the first few lines above)--we seem to have a growing list of same. Did you know that Brisbane now has more than six Purple Heart boys??? Among them are CPL. BOB TANN,USMC: CPL DONALD "MICKEY" HUNTER,USMC: CPL EDDIE BARON,USMC: CPL JOHNNY CORYELL,USMC: PFC SONNY TUDALL, USARMY: and "SONNY" COSSETT--(don't know what branch of the Service he's with.) Oh yes---seems there was three S boy, too---. Personally, I'm mighty proud to know ALL you fellas--and you don't have to go out and get yourself all shot up to rate a PURPLE HEART with your Byline staff.

Haven't heard anything more about our most recent casualty--Bob Tann. He's in a hospital either in Japan, or on the way home on a hospital ship. Hope they send him home----certain people around here miss him a heckuva lot! Bob Mink is home now, on a fifteen day leave, but must return to KEESLER A.F.BASE at Biloxi, Miss. to continue his training, until the last part of November. Bob says he doesn't know if he'll stay on as at Biloxi, or be transferred someplace else after that. Time will tell. Here's the mail---

SAN DIEGO-9/26/51

Hi, Mom and Pop Reece:

Well, we got down to Diego allright--I had to report in today. I am getting better now--being that I am a "D.I."--meaning DRILL INSTRUCTOR. Don't you feel sorry for the little "boots"? Well, I don't--so guess someone will have to. They have built a lot of new buildings down here since I was here last. Are all the gals and everyone there in good old Brisbane?? I guess my 30 days leave spoiled me, cause I wish I was back there right now. Tell everyone hello for me--and I will close for now and write to "me mother".

Bye for now--your friend,
"MICKEY" HUNTER.

SAN DIEGO--9/26/51

HELLO, MOM!!

Here I am, back in San Diego, and feeling bluer than I've ever felt in my whole life before. What a swell town and wonderful people we have up there! You have probably heard by now that Joan and I are going to be married in the near future.

Well, Mom--tell everyone hello, and here's hoping to see you all soon.

as ever, JOHNNY CORYELL.

SHEPPARD A.F.BASE
WICHITA FALLS,TEXAS

HI, Reeces!

Here I am, back in Texas. I sure don't like this place, and I'll be here for 7 or 8 months. [illegible] last two copies of the Byline, and was sure glad to get them. Do you know Mansell Roland? Well, he is here too, I saw him last night. He says he likes the Airforce----has HE got a lot to learn! Ha. ha!

I'm going to another school here now, and it lets out for Christmas--so I'll see you then, I hope. Please keep the Byline coming--as I sure look forward to hearing the news from home. I'll close for now--and hope to see you soon.

as always--BOB OWENS.

P.S. Bob Mink is still in Miss. Do you know his address? Send it to me, if you know it, please.

* * * * * * * * * * * * * *

Well, there you have it fellows. As for Rowboat's letter--he asked about Bob Mink. Surprise---Bob Mink read your letter IN PERSON this morning--right after it arrived! How's THAT for quick service? I'll send his address along with this paper, anyway. Just in case. Okay???

In regards to Johnny Coryell's card--the girl he says he's going to marry is the girl he met while he was home here on his 30 day leave. She's Mrs. Chuck May's lovely niece--visiting here. Small world, huh? I'm sure we all wish the happy couple the BEST OF EVERYTHING in the future.

'Bye now, gang. Gotta put the BYLINE to bed. Me, too!------YE EDITOR.

SHARK FISHING RECORDS SET SUNDAY:

Many new shark fishing records were set last Sunday as 1623 fishermen hauled 2606 sharks out of San Francisco Bay at Coyote Point before 22,000 spectators during the 5th annual running of the shark derby.

1406 fishermen and 2441 sharks were the high previous records, made last year in this event, which is co-sponsored annually by the San Mateo Lions Club and the Coyote Point Yacht Club.

The most amazing catch of the day was turned in by 7 year old John Miller, of Petaluma, who hooked into a 51¼ lb.shark. His father, Jack Miller, had to help pull it in. Shark Derby officials weighed the youngster also, and found he only weighed 54 lbs. Johnny won the Princefisher crown and was kissed by Inez Coykendall, lovely bathing beauty attendant to King Neptune, and with a lipstick mark he kept trying to wipe off, was loaded down with $200 in prizes.

A 64 pound shark, 6 feet 2 inches in length,---the biggest ever caught in the 5 years of the Derby--was reeled in by Jerry Scheller of San Carlos, who won the Kingfisher title. Harold Clements of Mountain View won second with a 63 pounder.

Jacqueline LeMay of San Mateo was named Queenfisher for her 32 lb. catch. 11 year old Martha Peterson of San Mateo took Princessfisher with a 17 lb shark.

Two huge 51 pound stingrays were brought in by Al Santina, of Redwood City--and Vincent Mowry of San Francisco. Horace Siino of Daly City broke another record with his total of 51 sharks. Olin and James Corbett of San Francisco topped the father and son list with 45 sharks. Marvin Utley of San Mateo won the special television award.

A 3 lb leopard shark with a set of false upper teeth caught in his gill was turned in by James Tomasello, of San Francisco. A complete list of the winners who shared $1500 in prizes is as follows: KINGFISHER: Jerry Scheller (heaviest shark); Harold Clements, Ed Melia, of Mt. View and S.F. respectively, placed 2nd and 3rd. QUEENFISHER: Jacqueline LeMay (heaviest shark); with Gertrude Reinartz of Burlingame, and Pat Harr of So.S.F. placing 2nd and 3rd. PRINCEFISHER: John Miller, 1st; Paul Flores of San Mateo and Jack Wahood of San Mateo, 2nd and 3rd. PRINCESSFISHER; 1st, Martha Peterson; with Jean Rutherford of Belmont, and Diane Mattock of San Mateo 2nd & 3rd. HEAVIEST STINGRAY: Al Santina, first; with Vincent Mowry and Wm Hayes, 2nd & 3rd. GREATEST NUMBER OF SHARKS,INDIVIDUALS: 1st, Horace Siino; 2nd, Italo Adamis, of San Mateo; tied for 3rd, Don Stewart of Redwood City, and Jerry Scheller of San Carlos: GREATEST NO. OF SHARKS,FATHER & SON TEAMS: Olin and James Corbett,1st; Ron and Clark Earley of Brisbane, 2nd--(they caught 19 sharks between them)--and Theodore Peterson, Jr. of San Mateo, 3rd, with 17 sharks.

CIVIL DEFENSE DIRECTOR GIVES WARNING:

Unlike England prior to World War II, the United States may not have four yrs. to prepare it's civil defense against an air attack. This was the warning sounded recently by Maj.Gen.Walter Robertson, state director of civil defense. Asked whether he thought California might have four years to get ready for an enemy attack, Gen. Robertson said, "I do not! I think we have exactly as much time as Russia chooses to permit--and no more. We must move fast to perfect our Civil Defence."
